healthEZ

Welcome!

We're here to make your life easier.

HealthEZ is an independent third-party administrator (TPA), which means we manage your employer's health benefits and process your medical claims. We work with your employer to design a custom benefits plan for your organization and we're ready to help you access the services you need. We've been providing our knowledgeable and service-oriented approach for over 40 years.

Manage your health benefits without all the headaches

Download the free myHealthEZ app to view your benefits, manage and pay bills, locate care providers near you, and access your digital insurance card—right from your phone.

Tap. Pay. Done.

Pay bills, schedule automated payments, and view past statements in one simple, secure location.

Find a provider

Search local healthcare professionals and filter results by location and specialty to find the right care provider for you and your family.

EZchoice

EZchoice makes provider choice easy and medical costs transparent so you can be confident that you are not overspending on your medical care.

Tap into your health benefits

Seamless online payments

EZpay is HealthEZ's online payment system that allows you to easily and quickly pay your portion of medical bills with your payment of choice, including credit and debit cards, and HSA accounts.

After you set up EZpay, we will notify you via email each time we process a bill of yours. Your options are:

- Approve Payment
- Decline Payment
- Do not respond

If you do not respond and have a card on file, EZpay will pay your portion automatically. The automatic payment is processed:

- Two days for bills under \$250
- Five days for bills over \$250

One simple statement

We consolidate all of your monthly healthcare expenses into one simple statement. This statement eliminates confusion and provides information about year-to-date deductible and out-of-pocket maximums, and itemized transactions during the current billing period.
